MEMORANDUM FOR: Development Branch, DPD-DD/P

ATTENTION :

[Redacted]

SUBJECT :

Surfacing 14.8 Miles of Road

[Redacted]

1. After a review of the cost of maintenance and upkeep of vehicles, it is strongly recommended that the 14.8 miles of road [Redacted] be surfaced for the following reasons:

- A. Eliminate dust which is injurious to both personnel and vehicles
- B. Eliminate driving hazard caused by dust which could easily cause serious accidents
- C. Reduce maintenance cost on road and vehicles

2. The cost of maintaining the road and vehicles will pay for the surfacing in approximately one year.
